These directions will only get you to the city street turn out. Once there you will need to find your way to the train using the access road. Your navigation app will not work on dirt roads, see the directions in the 3rd column to get you to the train. Your safety is your responsibility. Be careful when crossing tracks. <u>Using this file with a navigation app will use your cell data, see below for instructions if cell data is an issue.</u>

Click the location and allow it to open in Google maps.

Apple maps will not work.

Revised 11/16/2019

Location	<u>Channel</u>	Ending directions
9th Street	57	Don't stop when directions say you have arrived, proceed until you reach the railroad tracks/fence then park where it is safe to do so.
9th Street bottom entrance	57	Turn into industry, proceed to gate on right side and enter, go straight to the end
38 Switch by PCT	57	Look for a walk-thru gate in the fence just west of the overpass.
ACTA EAST end entrance	17	turn onto access road and follow path to the left, then follow path to the right across tracks to paved road
ACTA WEST end entrance	17	turn onto access road and cross tracks when safe, then follow road to the right and proceed to the signal bridge
Alameda Fire House Entrance	17	turn into access road and proceed to tracks
Alameda Signal Entrance	17	turn on to access road and follow path to the right until it ends
Alcoa entrance	55	Keep to the right of the gate to proceed on access road to tracks. For east end stop when you reach the tracks. For West end proceed on dirt road for 1.5 miles.
APL support yard Entrance	78	proceed thru open gates and go right until you reach the bridge
Basta East Bound signal	36	
BNSF Crossing, West Thenard	58, 17, 43	
Buena Park Main Line	36	turn into gated lot
Buena Park YARD west end	32	
Commerce Diesel entrance	60	
Commerce Diesel foreman office	60	
Commerce Diesel lobby Compton 16K rear from Dolores	17	This might not be the correct location, has not been verified
Coyote Creek Eastbound	36	Enter warehouse driveway and make a 2 immediate right turns then proceed around to rear of warehouse building, you will see the railroad access road, proceed on dirt road and go left to the train.
Dale Street East end	36	
Dale Street entrance	36	proceed on access road to tracks
<u>Dolores Entrance</u>	17	proceed on access road to tracks
Esperanza Golf Course Crossing	36	Be careful crossing tracks, lock gates behind you
Esperanza spot 0 East end Entrance	36	
Esperanza spot 0 West end	36	
Esperanza spot 1 East end Entrance	36	go uphill slightly and park on left
Esperanza spot 1 west end	36	turn onto access road and go left up dirt road

Speranza spot 3 East end   36   proceed thru gates, Be careful crossing tracks, on across tracks turn left and follow dirt road until you reach the signal bridge and air boxes   proceed thru gates and then right to get to the werend of spot 3   park Entrance   36   proceed thru gates and then right to get to the werend of spot 3   proceed thru gates and then right to get to the werend of spot 3   proceed thru gates and then right to get to the werend of spot 3   proceed up driveway and to the right.
